

Quinlin D. Neuhaus

Aurora, IL | quinlin.neuhaus@comcast.net | (630) 803-7712 | quinlinneuhaus.com

Education

Missouri University of Science and Technology | Rolla, MO

B.S. Economics and B.S. Applied Mathematics – Actuarial Science Emphasis

Dec 2025

Cumulative GPA: 4.0

M.S. Applied Mathematics

Expected Graduation: Dec 2026

Professional Exams

Scored 9 on Society of Actuaries Exam P

Jan 2025

Scored 9 on Society of Actuaries Exam FM

Feb 2025

Scored 10 on Society of Actuaries Exam SRM

Sep 2025

Relevant Coursework

-Machine Learning	-Multivariate Statistics	-Nonparametric Statistics	-Applied Time Series Analysis
-Deep Learning	-Topics in Data Science	-Categorical Data Analysis	-Models in Actuarial Science
-Foundations of Data Science	-Causal Data Science	-Statistical Data Analysis	-Mathematical Statistics
-Regression Analysis	-Computational Economics	-Financial Mathematics	-Probability and Statistics
-Engineering Statistics	-Econometrics	-C++	-Python

Experience

MetLife | St. Louis, MO

Actuarial Intern | MLH Annuities-US Statutory and Reporting

May 2026-Jul 2026

- Automated manual processes and enhanced existing team workflows in Alteryx and Excel
- Migrated data visualizations for quarterly analytics from legacy tools into Python with Matplotlib
- Leveraged AI when writing code and created a custom agent for valuation regulations and team documentation
- Communicated with team members to understand how projects fit into team and company operations
- Learned high level information about a variety of company roles through internship program video conferences

GraphsAreCool | Remote

Data Visualization Creator

Oct 2025-Present

- Created dozens of graphs, plots, and charts to present data on sports, economics, education, and pop culture
- Reached academic and casual audiences with over 5 million views on Reddit and Instagram
- Sourced, cleaned, manipulated, and analyzed interesting data in Python and Excel to prepare for visualization
- Honed both soft creative skills and hard technical skills for effective storytelling

Missouri University of Science and Technology | Rolla, MO

Graduate Teaching Assistant

Jan 2026-Present

- Lead 4 sections of 36 students each through weekly math problems and lecture review on multivariable calculus
- Handled correspondence with students and hosted office hours to attain learning outcomes
- Proctored, managed, and graded exams for hundreds of students in Calc III and Linear Algebra
- Cooperated with course coordinators, lecturers, and other teaching assistants to improve course operations

Mathematics Department Grader

Aug 2024-Dec 2025

- Graded questions for hundreds of exams in Calculus, Linear Algebra, and Differential Equations
- Created rubrics for exam questions and met short grading deadlines for professors and students

Raging Waves Waterpark | Yorkville, IL

Operations Supervisor

May 2023-Sep 2025

- Lead weekly lifeguard training sessions, maintaining and refining the skills of the team
- Performed daily inspections of pool and waterslide equipment, reporting issues to maintenance
- Supervised 20-25 lifeguards in my zone and worked with other supervisors to ensure the park ran smoothly
- Successfully resolved guest conflicts and executed training during emergency medical situations

Pool Lifeguard

May 2022-Sep 2022

- Successfully enforced pool rules, provided customer service, and maintained a safe environment for all guests

Skills

Excel, Python, Power BI, Alteryx, SQL, VBA, NumPy, Pandas, Matplotlib, SAS, C++, R, Statistics, Data Visualization
